SUMMER ASSIGNMENT

Over the summer, students will be reading:

Rules by Cynthia Lord

As well as completing the Cereal Box Report, which is included with this packet (will also be made available on the School Website ASAP)

This assignment should be brought with students on their first day of school.

Students will also take a reading comprehension test on the book during the first week back at school

Additionally, I am asking that students spend time using Prodigy over the summer to review their 3rd Grade Math Skills. Students should plan to spend 20 minutes a day from Monday to Thursday in order to prepare for 4th Grade.

Your student may already have an account, or they will need to create one using the following link:
