Please Label all Clothing (especially sweaters and sweatshirts)

I have provided some required summer work, along with optional materials that will only increase your student's potential for success.

Required

Read and Enjoy the Book:

- o *Stuart Little* by: E.B. White (There will be a **Quiz on the 3rd Week of School**)
- o Complete 20 minutes a day on Prodigy prodigygame.com

Strongly Encouraged:

Practice Math facts for addition and subtraction. Also start looking at and practicing multiplication math facts.

Note to Parents:

The summer is a time where you have an opportunity to make a major impact on your child's learning success. By encouraging your child to stay academic during the summer months, you are creating a daily routine they can grow and love. Remember to have fun with these activities and explore these materials with your children.

Have a wonderful, safe, and fun summer and see you in August!
